Colonoscopy Benefits

Below are some scenarios that may arise and how colonoscopies would be reviewed under your plan.

	Wellness or Health Screening	Surgery
You're over 50 and you have a colonoscopy at the recommendation of your doctor.	✓	
Same scenario as above. You have the colonoscopy. Your doctor finds polyps and removes them.	✓	✓
Your doctor recommends a colonoscopy every five years because you have a family history of colon cancer. You have the colonoscopy, and there are no issues.	✓	
Following your doctor's recommendation, you have a colonoscopy to determine the cause of your gastrointestinal problems. You're diagnosed with diverticulitis.	✓	✓

This information is for illustrative purposes only.

Colonoscopies are included under the health screening benefit or wellness benefit. In some cases, colonoscopies may also be covered under a surgical benefit.
